

To travel between Crane Pond and Pharaoh Lake, choose the 3.8-mile Pharaoh Mountain Trail for a steep, scenic 1,355-foot climb with expansive views. Alternatively, the 2.6-mile Glidden Marsh Trail offers a much easier route, ascending only 300 feet.

Map created by Andy Arthur on 1/12/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
