

Smith Road.

There are 10 designed campsites along Smith Road off Number Four Road as your heading east from Lowville-area towards Stillwater Reservoir, off Number 4 Road. The first campsite is a large field campsite where the old firetower used to exist, there is cell service there. The other campsites are more typical roadside designated sites, most do not have cell service.

Map created by Andy Arthur on 10/25/2024 in QGIS 3.34.11-Prizren. Contains US Forest Service Base Map with NYS DEC data. More maps at andyarthur.org.
